There is only one medicine that really stands out pre-eminent as a remedy for diseases of the kidneys, liver and bladder.
Dr. Kilmor's Swamp-Root stands the highest for the reason that it has proven to be just the remedy needed in thousands upon thousands of even the most distressing cases. Swamp-Root, a physician's prescription for special diseases, makes friends quickly because its mild and immediate effect is soon realized in most cases. It is a gentle, healing vegetable compound.
Start treatment at once. Sold at all drug stores in bottles of two sizes—fifty cents and one dollar.
However, if you wish first to test this great preparation send ten cents to Dr. Kilmor & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Bennington Evening Banner.

Ever Hear of Eye Sun-Turn?

Protection of the eyes from sun glare is even more necessary than wearing a hat to prevent sun-stroke. We are indebted to the great scientist, Sir William Crookes, for his discovery of a wonderful new glass for spectacle lenses that makes it possible to filter the harmful heat and chemical rays from sunlight without perceptibly dimming the light or changing the colors.
We can duplicate your prescription in this glass which will adequately protect your eyes no matter how much they are exposed to strong sun or electric light.
